

Master Black Belt Education

Creating Actionable Strategy

Creating an inspiring vision and strategy, which other people follow, and turn into realities, is relevant to many of us. Strategizing is no longer a topic only for the executive board and strategy consultants. Virtually any internal corporate organization, such as HR, IT, Finance, Customer Service, a manufacturing site, a logistics department, or a Lean Six Sigma organization, to name few of them, needs to have a strategy to deliver continually demanding results. Companies usually have a well-formulated strategy. What seems to keep remaining a challenge is the strategy execution.

This educational module with a workshop character is focused on learning how to create an actionable strategy for an internal corporate organisations.

Why to Participate:

- Enable results which matter
- Align teams towards a common purpose
- Win the necessary support from your sponsor and all key stakeholders for your program or a transformational journey
- Turn your strategy into meaningful actions
- Learn from others about their transformational journeys and associated challenges
- Prepare for your Master Black Belt certification
- Have fun while strategizing

***Translate learnings from the course
to create an actionable strategy for your program or organization.***
